Good morning Dennis,

Attached is a copy of the property Deed (3 pages), earliest 8700-12 form on file (3 pages), WV Secretary of State business/licensing data (3 pages), Estate Letter of Administration & Application of Fiduciaries (2 pages), hand-written correspondence from Ex. 6 Personal Privacy (PP) (2 pages), and email from Ex. 6 Personal Privacy (PP) (executor of estate) (1 page).

There has been phone communication with Ex. 6 Personal Privacy (PP) daughter), she has indicated to us that she has no interest in the property and is unable to clean it up. No written correspondence exists from her.

John

John hi

Yes plan is to get out there first or second week. Any contact regarding ownership or denial to pay by the owners children or estate would be useful if anything exists. Thx

Good afternoon Dennis,

Do you need anything from our office? And, are you still hoping to mobilize to the site in December?

Rusty hi

Just wanted to give you an update on Leonard's Plating Site.

I will be out but back on the 27. I plan to submit my removal paperwork on the 28th. I hope that we can move to the site the first or second week in December. I will keep you posted. **Ex. 4 CBI** and I have been very busy on the Kincaid Site in Nitro and on the sampling and geophysical work scheduled for Paden City PCE site.

I will keep you posted.

Hope you have a nice Thanksgiving...

Thx
